## EXPERIENCE

### Somethin' Else

NOV '17 –

#### *The Economist Audio Edition:*

Frequent freelance editor and producer; working in a small team to turn around over 7 hours of audio to a tight deadline, making sure the audio is truly word-for-word of the written articles and of a high quality. As a producer I ensure voiceover talent pronounce and enunciate words correctly and make sure the production keeps to time. As a delivery editor I work with computer scripts to bundle and add metadata to all the audio created before transferring it over to the client.

### Netil Radio

SEP – DEC '17

#### *Studio Assistant:*

Assisted DJs and presenters during their shows, including setting up and monitoring their use of CDJs, Vinyl players and mixer. Ensured levels were consistent throughout their slots and managed the playout system during changeovers. Also supported the presenter of the station's only magazine programme with production.

### Somethin' Else

JUN '18

#### *Internship:*

Research for BBC Radio 4 features, Sara Cox and Trevor Nelson on BBC Radio 2 and Classic BRIT Awards 2018. Runner on a live recording of The Penguin Podcast and BBC Radio 4's Gardeners Question Time.

### Smoke Radio

SEP '15 – MAY '18

#### *Producer:*

Produced and tech-op'ed on a variety of programmes including event coverage and a weekly current affairs and debate programme.

### National Student Pride

NOV '17 –

#### *Social Media Officer:*

Creating assets and making sure feeds are constantly and consistently updated, sharing stories that the audience may care about and promoting the main event. The role also involves working across other aspects within the media team.

### audioBoom

MAY '16

#### *Press Team:*

Recorded vox pops, edited panels and interviews using Audition for coverage of London Comic Con 2016 at the ExCeL.

### Voice FM

AUG '14 / AUG – SEP '15

#### *(Southampton Community Station)*

#### *Volunteer:*

Assisted the station with migrating to a new playout system, importing audio, marking intro and outros and adding copyright data.
